

# Membership Application

The International Play Equipment Manufacturers Association, a member-driven international trade organization, represents and promotes an open market for manufacturers of play equipment and related products, and any individual or entity that is involved in selling or utilizing play equipment and related products within the scope of their operation or employment.

## Required for manufacturers

IPEMA active members are defined as “any firm, corporation, entity or individual engaged in the manufacturing of play equipment and related products.” Therefore, manufacturer members must have design and quality control over the products it manufactures. **It is a requirement that the Main Contact of any Active Member applicant check this box as part of applying for membership.**

- I do hereby attest to the fact that our company has full and complete control over the design and quality of the products being manufactured by this business.

## Required for associates

An Associate Member is defined as “any individual or entity that is involved in selling or utilizing play equipment and related products within the scope of their operation or employment, but not engaged in the manufacturing of play equipment and related products.” **It is a requirement that the Main Contact of any Associate Member applicant checks this box as part of applying for membership.**

- I do hereby attest to the fact that this applicant is not engaged in the manufacturing of play equipment and related products.

## Membership Categories & Dues

IPEMA’s annual membership cycle runs from June 1 – May 31. Anyone signing up for membership during the months of August through April will pay prorated dues and must renew by May 31 to maintain membership.
